WHY USE CND?

PROFESSIONALISM

CND offers a comprehensive addiction treatment program licensed by the Ohio Department of Mental Health & Addiction Services. We uphold a high standard of care for our clients, providing compassion and dignity for all.

COMPREHENSIVE TREATMENT OPTIONS

We offer a variety of addiction treatment options for alcohol, drug, and opiate addiction. From assessment, individual and group counseling, case management, and medically assisted treatment, we can help you on the road to recovery.

CONVENIENCE

CND takes most major insurances, including Medicaid and self pay. We offer convenient times for all of our treatment services. Our locations on the near east side of Columbus are discrete, and on the bus line, allowing for peace of mind as you receive outpatient treatment.
